

Legislative Proceedings.

SIXTY-SEVENTH DAY, July 10th, 1872.
Assembly met at 10 o'clock, a. m., the President,
His Ex. P. Nahaehau in the Chair. Prayer by the
Chaplain. Journal of preceding session read, and
on motion approved.

Mr. Martin, Chairman of Committee on Internal
Improvements reported consideration of a petition
from Ewa and Waianae for a bay at Waianae, and
recommended indefinite postponement, also on a peti-
tion from Honolulu that a road be built at Fisher-
man's Point, and recommended reference to the
Minister of Interior—report adopted.

His Ex. the Minister of Finance on behalf of His
Ex. the Minister of Interior gave notice of a bill to
prevent the spread of syphilis and venereal dis-
eases.

His Ex. the Minister of Finance gave notice of a
bill making changes in the Custom Duties.

Mr. Native introduced a resolution that Sergeant-
at-Arms furnish each member with 100 two-cent
postage stamps—resolution indefinitely postponed.

Mr. Faikuli introduced a resolution that the third
reading of the Appropriation Bill be deferred until
the Bills which have passed their third reading are
reported to the Assembly—no motion indefinitely
postponed.

On motion, Rules suspended, and Mr. Faikuli pre-
sented a petition from Ewa and Waianae praying an
appropriation of \$500 for new at Peleau—motion
carried.

Appropriation Bill passed its third reading.

Bill of Mr. Carter establishing the number of
hours to be considered a day's work under contracts
authorized by Section 1417 and 1418 of the Civil Code
and its final passage.

Mr. Kips moved to amend by striking out word
“time,” and inserting in place thereof the word
“date,” which was put to vote and lost by 19 to 15.

Motion to indefinitely postpone the Bill put to
vote and carried by vote of 21 to 16.

The following Bill of Mr. A. F. Judd on its second
reading:

Section 1. That from and after the publication of
the Act, Carts, Cask Shucks, Cask Hoops and Heads
and Cask Kerosene, when imported into this Kingdom,
shall be duty-free.

Mr. Native urged this passage of the Bill, as it
would aid that important branch of industry known
as the whaling business. The Bill was also recom-
mended by the Honolulu Chamber of Commerce,
which body was worthy of consideration.

Mr. Martin had some doubts about the Bill, as the
duties sought to be removed were so small that the
passage of the Act would be of little advantage in
driving whalers to this port.

Mr. Carter was in favor of the Bill, but thought it
was not specific enough. He saw no objection to the
Bill, as the amount lost to the revenue by its passage
would be very insignificant. There were objections
to the way parts and always would be, and he
could not conceive of any of them was going to do it. The
whalership in his opinion had built up the Hawaiian
Kingdom, and started many of the plantations now
on the islands. He moved to amend by inserting after
the word “Kingdom,” the following words, “for the
use and benefit of the American whalers.”

Mr. Aloha moved to indefinitely postpone, which
was put to vote and carried.

On motion, Bill was amended passed to engross-
ment.

The Act introduced by Mr. Kankala, to repeal
Section 7, Chapter 3, Postal Code, on its second
reading, was, by motion of Mr. Mikalani, inde-
finitely postponed.

Bill introduced by Mr. A. F. Judd taken up on
its second reading, as follows:

Section 1. That the judges of the Supreme Court are
hereby directed to appoint a Committee of two
competent persons, whose duty it shall be to con-
sult, modify, revise the translations in the Hawaiian
language, and make any necessary publication both in the
Hawaiian and English languages, the Civil Laws of
the Kingdom which may be in force at the termina-
tion of the present Legislative Assembly.

Section 2. That the Minister of the Interior is hereby
directed to cause to be published, in the Hawaiian
and English languages, the Civil Laws so prepared,
as soon as possible after the adoption of this Act, and he
is hereby authorized to draw on the Minister of
Finance for the pay of the said Committee, and the
expenses of the publication out of any money
not otherwise appropriated.

Section 3. That the judges contemplated by this Act
shall remain all Civil Laws of this Kingdom, and
all the laws in force in the Kingdom not comprised
in the Postal Code of 1869, and also all Rules and
Regulations of the various Departments of this
Kingdom which have the force of law.

On motion of Mr. Kial, the Bill was passed to
engrossment.

Anxiously adjourned.

SEE MY COLUMN!

Not THIS, but the Other One!

Queer! Very Queer!

In MY ADVERTISING COLUMN, my Anchors and Chains for sale are crowded out and are amongst the Novelty in British Novelties. They will be sold cheap, very cheap.

Funny! Very Funny!

My PILLS & TINCTURES, Peacock's and Cooke's are
entitled to the first rank in the Notices.

Price of Wire Fencing, which I will sell for
25 cents each, is much less than the new material
costs here.

Funny! Very Funny!

The HUMPS OF AHU—Bromelai Carpet which
I have for sale, a splendid carpet, and a good
one, too, for less than the Carpet for the
New Hotel ever in San Francisco, besides which,
freight, insurance and duty must be added to the San
Francisco cost. It would take a mathematician to
calculate the loss incurred by not purchasing here.

Not Queer or Very Queer!

The Steamer Kilauea is a decided success and
materially assists to promote trade and develop the
resources of the Kingdom. (Breakers understand-
ing.)

The New Hotel.

There has been a difference of opinion in conse-
quence of typhus. I am morally certain it will be
a decided success in promoting the interests of these
far islands, and a great benefit to them.

Lodging House Keepers need not quake or seek a
redemption in rest, for they will have their share from
the extra number of visitors to one of the wonders of this
world.

This National Hotel is much needed for the up-
building of our Sunny Islands, will, in conjunction
with other solid improvements made by our govern-
ment, immediately bring the Kingdom Ven-

Long may it live and reign.
